Overview:

Following a successful 2024 One Ride, we are on the long road back to the Barossa! For 16 years the Breakthrough T1D One Ride has brought together around 4550 cyclists for a boutique experience. We have made the decision to continue this amazing experience in 2025 and re-connect those who love this event. We have brought together our Breakthrough T1D team to deliver what we are sure will be another unique experience.
