

# One Ride 2026: A Corporate Cycling Challenge with Purpose

## Background

Following a highly successful 2025 One Ride, we're heading back to the iconic Barossa this November for another unforgettable weekend. For over 17 years, Breakthrough T1D One Ride has delivered a truly boutique cycling experience, uniting more than 4,650 passionate riders in support of life-changing type 1 diabetes research.

In 2026, we're growing One Ride into an even stronger community - inviting more corporate teams to ride together in support of purpose, connection, and impact.

Hear directly from our corporate cycling champions on what makes One Ride an experience worth coming back to – [click here to view!](#)

## The Event

In 2026, join hundreds of passionate riders from corporate and community teams across Australia for an unforgettable weekend in the Barossa Valley, South Australia, from 20–22 November 2026. Riders can choose from four fully supported routes - 160km, 120km, 80km, or 40km, making One Ride accessible to cyclists of all abilities.

The main cycling event takes place on Saturday 21 November, when riders take to the road together, with camaraderie at the heart of the experience.

Throughout the day, champions from the type 1 diabetes community share their powerful stories, and riders learn about the groundbreaking progress Breakthrough T1D is making in type 1 diabetes research.

The day concludes with a fun, themed dinner celebrating cycling and fundraising success.

See what it's all about - enjoy some footage from the 2025 event [here](#).

## Register

Register your interest at [Ride.BreakthroughT1D.org.au](https://Ride.BreakthroughT1D.org.au) to begin building your team, and start shaping your fundraising plan!

## Fundraising

Participants are required to reach their chosen fundraising goal by **14 November 2026**. Your local State Development Manager will support you every step of the way, providing guidance, resources, and advice throughout your fundraising journey.

Registrations will open in late February, and you will be notified as soon as the website is live.
